Education, Value Education, National Population Education and Computer Literacy Programme have also been introduced. The Government has always taken care of the educational disadvantaged group in rural areas. In this context Navodaya Vidyalayas have been established which are fully residential schools and provide good quality modern education, to all talented children in rural areas irrespective of socio-economic conditions. Education in Navodaya Vidyalayas, boarding and lodging, textbooks, uniforms etc. is free for all students.

State Government have also taken several measures in this regard. These measures include free education upto elementary stage, free text books and uniform etc. for weaker sections.
